### **NATIONAL LAW ENFORCEMENT EXPERT, SHERIFF CLARKE, SUPPORTS ROB CRUZ FOR CONGRESS**

Nationally renowned law enforcement expert and commentator, Sheriff David Clarke will join other community leaders and be the keynote speaker at a fundraising event kicking off the campaign for Rob Cruz, Candidate for Illinois 6th Congressional district on December 3rd at Cork & Kerry, 10614 s. Western av. At 7pm.

Clarke, a well known, national, conservative personality agrees with Rob Cruz's platform of education repair, restoration of individual rights, securing communities and reducing tax burdens on small businesses.

"Swing States matter, momentum is growing", says Sheriff Clarke, "we need people in Congress like Rob Cruz if we are going to get this right", he said.

Cruz, a young, successful, Hispanic-American businessman from Oak Lawn says he is another example that the American dream of hard work and family values are alive and well in Chicago and the suburbs.

"Building a family and a small business is hard work and worth every minute of effort. Our government needs common sense direction to keep law and order and give our children an education free from political influence", he said. "Sheriff Clarke has demonstrated that an African American and a Hispanic American share the same basic beliefs and goals for our families and our communities", he stated. Clarke is an excellent spokesman for God fearing, law abiding Americans. I am proud to have him join me in launching my campaign for Congress".
